## 2017 SUMMER SESSIONS DIRECTED STUDY FORM

**Students:** This form is *only* to be used for summer courses that involve independent work with a faculty or staff member. After you have set up a plan with a faculty or staff member, please fill out and follow the directions within the first section of this form.

**Course Instructor:** Please confirm the student's course information in section one, fill out the second section in full, and then e-mail the form to your department chair.

**Department Chair/Director/Area Coordinator:** Please review the information in the first two sections, complete the third section, indicating whether additional compensation is to be paid for this work. Follow instructions in section three.
